

FEEDBACK FROM "OP METRIC" HELD IN SOUTH CAMBS. AREA

Firstly, this proved to be a magnificent N.H.W. response with some eighty (!) pieces of intelligence given to Sgt.Paul Rogerson through which he could guide the Operation. He wishes me to thank you all and to say that we will discuss lessons learned through this as we look to the future.

Secondly, whilst the multi-agency Operation was for one day, his Officers were active regarding this for all of the week. A number of fines were issued, some for £300; evidences are still being gathered for other offences; advice was given out to legitimate traders and carriers who were ignorant of the finer points of paper work and licences that are needed. This Operation was a great success. It did only run for the week and is now finished as such. If you have any other concerns regarding traders or persons on property please do report to 101 or 999. If you have questions regarding activities please send to 101 or to your P.C.S.O.

Please do not send any more emails to Paul as he has to move onto other Operations this week!

There is a popular saying that says "you should be very proud"....I believe that N.H.W. members in South Cambs. should be....very proud.

Our future relationship with the police is currently being discussed at Op Redesign, when I can, I will update you all.

Regards, Polly Wilderspin (Cambs. N.H.W. Exec. member)
